I'm a rising senior at Mount Paran Christian School where I'm enrolled in the Dossier arts program. Musical Theatre is something I developed an interest for at the age of twelve. Some of the musicals I performed in were: Disney's Alice in Wonderland jr as Tall Alice, Beauty and the Beast as Chip, Oklahoma!, Guys and Dolls, and recently The Lion King jr as Zazu. This past year I have had a passion for opera and I'm looking to study it in college. In addition to musical theater and vocal performance I have been classically trained in dance for seven years in the genres of: ballet, jazz, modern, contemporary, and lyrical. One of the colleges I'm auditioning for and I want to attend is Reinhardt University in the fall of 2020.
